DETAILS

If you have ever wondered what it takes to work in space industry, we have the answers for you! At SPACE CAREER DAY, speakers provide you with information regarding current and future career opportunities, internships, industry trends and upcoming workforce needs.

The event is free to any university student from across the country with a valid Student ID with photo. Registration to the SmallSat Conference is not required. However, if you are interested in attending the conference, there is a student discount! (Visit www.SmallSat.org.)

Arrive early to network with company and agency reps. Bring copies of your resume.
Conference Attire: Business Casual
